Range of Provision and inclusion information:	
How we identify special educational learning needs as a school and how we seek the views, opinions and voice of pupils and their parents in planning to meet them.	<ul style="list-style-type: none"> The Special Educational Needs and Disability Code of Practice: 0 to 25 years (Statutory guidance for organisations who work with and support children and young people with special educational needs and disabilities), effective September 2014, details four broad areas of need as follows: Communication and interaction Cognition and learning Social, emotional and mental health difficulties Sensory and/or physical needs. Provision is made for these four areas of need by: When pupils have an identified SEND before admission, we work with the staff from the pupils' current school, parents/carers and outside agencies, who already know them, and use the information they already have available to identify what their SEND will be in our school setting. If you tell us you think your child has SEND we shall discuss this with you and investigate. We shall share with you what we find out and agree next steps with you as to how we can all support your child. If your child does not appear to be making the same rate of progress as other children of their age we shall undertake assessment in school and identify possible barriers to his/her learning. On occasions we engage other professionals too. Parents/carers are involved at all stages. We are child and family centred so you will be involved in all decision making about your child's support. When we assess SEND we discuss if understanding and behaviour are the same in school and at home; we take this

	<p>into account and work with you so that we are all helping your child in the same way - the School's Family Support Worker can make home visits to support you in getting your child into school, if this is a barrier.</p> <ul style="list-style-type: none"> • We write SENS Support Plans (SSPs) and/ or Wellbeing Support Plans (WSPs) with pupils and parents/carers, when pupils are involved with an external agency. • We use homework to consolidate and practise learning that is new and present an achievable challenge. There is a Homework Club in every year group to support pupils. • The Home -School Diary is used for two-way communication, including recording specific targets. • Parents/ Carers meetings keep you informed of your child's progress during the year and give you opportunity to make comments and/ or suggestions to support your child's learning.
<p>What extra support we bring in to help us meet SEND: specialist services, external expertise and how we work together. For example health, social care, local authority support services and voluntary sector organisations.</p>	<ul style="list-style-type: none"> • We have support from specialist teachers and support staff for accessing the curriculum and additional input for specific needs e.g., speech, language and communication provided by Chatterbug, visual and hearing impairment, occupational therapy, behaviour related difficulties, autism spectrum conditions, moderate / severe learning difficulties, downs syndrome, cerebral palsy, attachment difficulties. • We obtain support from Local Authority services and local special schools which provide outreach. • We access support from occupational therapy and physiotherapy for pupils who require this input and specific resources. • We procure support from specialist and professional agencies to train our staff; advise on strategies and programmes and we will make referrals for assessment if we believe a period of therapy is required. • We hold multi-professional meetings with parents/carers and the pupil, where necessary, to review the child's progress. At these meetings the following types of discussions take place: what will be put into place in school to make teaching and learning more effective, targets for the pupil's achievement are agreed. We confirm how we will work together and what we each will do. We decide on a review date to explore how well the pupil is progressing, whether we are making a difference and the next steps that are required. This information is recorded in an Individual Inclusion Plan and Class Provision Map to ensure accountability.

	<ul style="list-style-type: none"> • We work closely with EWO support service. • Work with Chatterbug speech, language and communication service. • Woodview Child Development Centre referrals. • Nurture Network. • NSPCC. • Local Police Service. • iCart.
<p>How we provide access to a supportive environment; ICT facilities/equipment/resources/facilities etc.</p>	<ul style="list-style-type: none"> • Specialist equipment to support the curriculum such as coloured overlays/ paper/ reading rulers, seating aids, concentration aids, ear defenders to support hearing sensitivity needs etc. • Individual work spaces. • Access to ICT resources such as iPad, iPod, laptop, visualizer, digital cameras, Clicker 7 etc. • Prompt and reminder cards/ visual timetables for organisation. • Symbols and visual prompts e.g. Rainbow Alphabet cards, high frequency word lists, number cards, etc. • Comic strip conversation/ social stories to aid understanding and interpretation of events. • Task planners, mind maps etc. • ICT Clubs before and after school support children who do not have the facilities at home. • Remote Learning through Satchel - Show My Homework.

Educational Psychology service, CAMHS etc.
<p>How we support pupils in their transition into our school and when they leave us and in preparing for adulthood.</p>	<ul style="list-style-type: none"> • SENCO co-ordinates transition of pupils with SEND. • Year 2 teachers meet with Year 3 staff to discuss additional needs. • Year 6 teachers meet with Year 7 staff to discuss additional needs. • Regular meetings with parents/carers. • Transition plans for individual children- extra visits to new setting etc. • Risk assessments completed. • Work with Halton SEND Partnership. • Social stories and visual prompts for pupils.

	<ul style="list-style-type: none"> • Work through aspects of PSHE Education related to managing and preparing for change. • Programme of preparatory visits for Year 2 and Year 6 pupils. • Family Support Worker meeting with Y7 mentors. • Longer term links/ projects with high schools to increase familiarity.
<p>Access to strategies, resources, programmes, therapists to support occupational therapy/ physiotherapy needs and medical needs.</p>	<ul style="list-style-type: none"> • Intervention from physiotherapy / occupational therapy team. • Assessment and individual programmes. • Specialist resources. • Delivery of planned intervention programme by skilled member of school staff. • Close liaison with School Nursing Service and other medical staff where required. • Staff training for managing particular medical needs. • Close contact with parents/ carers. • Outreach support.
<p>Extra support for parents and carers and pupils offered by the school/how parents are involved in their child's education.</p>	<ul style="list-style-type: none"> • At the beginning of the academic year all parents / carers are invited to join their child's class teacher for a curriculum meeting where the teachers discuss the outline of their class's learning for the year. • There is a termly Child - Parent / Carer - Teacher meeting. • Parents / carers are invited to assemblies, Collective Worship, celebrations in Church, concerts, performances, Children's University Graduations, coffee mornings etc. • Many parents / carers volunteer to assist in school in a variety of ways, for example, reading with children, accompanying children on educational visits, transporting / supporting sports events. • Work undertaken in school is sent home on a regular basis in 'Sharing Learning' books. • For parents/carers we offer a range of family learning opportunities and we work in conjunction with the Halton Family Learning Team to deliver these programmes. • The school has consulted parents/carers on the Behaviour for Learning Policy and staff are always willing to offer advice.

	<ul style="list-style-type: none"> • Parents/carers can call in to school any morning from 8.30 am and Tuesday-Friday evenings by appointment. • The school signposts appropriate groups and organisations which are relevant for families' needs. • The school works closely with the Local Authority's Locality Team in Widnes which works with families and offers support. • Pupils' views are very important to us, they are regularly canvassed and actioned. • If required by a child, a key worker is identified who they meet with and know to go to if they require support / advice. • Full-time Family Support worker employed. <p>At St. Bede's Catholic Junior School it is recognised that parents/carers play a critical role in the education of their child. If any parent/carer has concerns or complaints regarding the education of their child then the school staff investigates them promptly. If the matter cannot be resolved then parents/carers have a right to make representation to the Headteacher and then to the Governing Body. Parents/carers also have access to the local independent Parent Partnership Scheme which can offer advice and information on all aspects of SEND.</p> <p>Further information on support services available to parents is available on the SEND Local Offer for Halton at: https://localoffer.haltonchildrenstrust.co.uk/</p>
<p>How additional funding for SEND is used within the school with individual pupils.</p>	<ul style="list-style-type: none"> • Schools receive funding for all pupils including those with special educational needs and disabilities and they meet pupils' needs through this (including additional support and equipment). The Local Authority may contribute if the cost of meeting an individual's needs is more than £10,000 per year. • If the assessment of a pupil's needs identifies something that is significantly different to what is usually available, there will be additional funding allocated possibly through an Education and Health Care Plan. • Teaching Assistants are employed to support children with identified needs - this may be 1:1 support but more often than not, a teaching assistant is available to support a group of children in a class or year group encouraging independence and resilience and ensuring that children do not become overly dependent on an adult.

	<ul style="list-style-type: none"> • Specific resources and/ or external specialist support may be purchased to support a child's needs.
<p>Arrangements for supporting pupils who are looked after by the local authority and have SEND. Including examples of how pupil premium is used within the school.</p>	<ul style="list-style-type: none"> • Pupil Premium Champions. • Booster classes in Year 6. • Coaching for Year 6 able pupils and those with SEND. • Teaching Assistants deployed in groups for English and mathematics lessons where specific need is identified. • Target Tracker to support the analysis of attainment and progress data and school self-evaluations • ICT to support learning, for example, iPads, IDL, Pobble, Doodle Maths, Clicker 7 etc. • Children's University: innovative programme of high-quality learning opportunities outside school hours, rewarding participants, encouraging engagement and learning and raising aspirations. • Extra-curricular opportunities provided by additional adults. • Extra-curricular tuition with teacher. • Extra-curricular music tuition eg. Drumming, guitar etc. • Key Worker for looked after children to ensure support is appropriate.
<p>COVID19 amendments:</p> <p>From September, the government announced plans for all children to return to school on a full-time basis.</p> <p>Following the guidelines provided by the government, which can be found below https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirusoutbreak/guidance-for-full-opening-schools</p> <p>St. Bede's Catholic Junior School will be providing the following:</p> <p>Children will be taught in their class bubble and will remain together for break and lunch times.</p> <p>Each class will have set teachers and teaching assistants assigned to it.</p> <p>Children will have access to their relevant curriculum through planned lessons, set by class teachers, which consider the need to cover any knowledge and skills missed during the Covid-19 pandemic as well as any well-being needs children may have.</p> <p>Children will have access to all provisions as listed in SEND Provision section of the SEND information report. These include:</p> <ul style="list-style-type: none"> - Activities linked to the outcomes on their Education Health Care Plans. 	

- Visual supports such as visual timetables, working memory boards, now and next cards or task cards.
- Coloured overlays, ear defenders and sensory boxes.
- Technology where appropriate, such as laptops and iPads.
- Access to Theraplay activities and resources to support emotional well-being, such a social or emotional stories.

Interventions will take place within bubbles. Trained Teaching Assistants will deliver these interventions.

Following a Well-being Questionnaire needs will be identified and children will have access to Well-being Support Plans and intervention should they require it.

SEND support plans will continue to be in place for children on the SEND register and reviews will be conducted via Email, zoom or Telephone call.

EHCP annual reviews or meetings will be held via Zoom/Microsoft Teams/Telephone call with professionals and parents.

Outside agencies will begin providing interventions within school or online via Zoom/Microsoft Teams/Telephone calls, where necessary, following all guidance on social distancing and hygiene.

The offer shown below applies to any children that may need to be taught remotely.

As stated in the government guidance:

'Where a class, group or small number of pupils need to self-isolate, or there is a local lockdown requiring pupils to remain at home, we expect schools to have the capacity to offer immediate remote education'.

Should there be a case for children to work from home, St. Bede's Catholic Junior School will ensure that:

- Work will be set by class teachers. It will consider the needs of the pupils and will follow a well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject.
- Teachers will set and check work regularly to gauge how well pupils are progressing through the curriculum using 'Satchel One'.
- Contact with families will be made by their class teacher or the Family Support Worker to ensure that pupils outcomes are kept at the forefront and that their emotional needs are being met.
- Class teachers will set work and provide resources for individuals with SEND that are differentiated to suit their ability and relate to the outcomes/targets on their EHCP or SEND support plans.
- Printed resources will be provided for pupils who do not have suitable online access.

Parents of pupils with SEND may continue to require our support at this time. The SENDCo can be contacted via the email below or by the school telephone number.
